

San Diego CA— Cabrillo Credit Union raised over \$32,000, to support Rady Children's Hospital San Diego.

Throughout the month-long fundraising campaign, known as the Miracle Month of May, (which was moved to October this year), credit unions around the country raise money for their local Children's Miracle Network Hospital. Despite the delay and the COVID-19 pandemic, Cabrillo was able to come together as a community to help the children of San Diego.

Cabrillo members and vendors generously donated. Employees contributed by donating, as well as hosting a virtual silent auction. Employees donated items for the auction and planned a safe and sanitary pick-up and drop-off system, to keep everyone safe, while supporting the fundraiser.

Cabrillo Credit Union received a \$10,000 grant from CO-OP Financial Services, through their Miracle Match program.

"Cabrillo has been participating in the Miracle Month of May for well over 2 decades. We feel honored by the outpouring of support that we receive from our members, vendors and staff, to help support such a worthy cause," said Jonathan Zide, Cabrillo's Chief Marketing Officer. "We are exceptionally grateful of this support, particularly during these challenging times. Cabrillo has never missed a year of fundraising for the Miracle Month of May and we are glad that we could participate again this year...even if it was in October."
